BEER OF THE MOMENT

CHANGES SEASONALLY | see server for details.....7

Seasonally driven menu items are important to us. It helps keep us fresh, vibrant, and up to date. With our beverage program, we like to switch things up from time to time, to keep your palate sharp. Ask your server what wine/beer of the moment we are currently featuring.

At zavino, we have created a wine program that allows you to experience great varietals while being adventurous. We offer two separate pours.
